Hello

I'm writing this because I'm fed up with the city doing nothing about the homeless here in the city of Sylmar! I'm sick on tired of olive view hospital dumping the mentally ill off on foothill blvd in Sylmar. These ppl are dangerous and unpredictable.

I use to tell my old SLO Giron "I had to walk thru their living room" yesterday morning at appx 730am I went for a walk and a transient was smack center with all her garbage blocking the entire sidewalk. I have NEVER seen her before and when I walked thru she screamed and pushed me where I then tripped over her shit and fell and she grabbed my steel rod which I use to stretch my back etc when I exercise. She hit me over the head arms hands! I chased her and we started fist fighting in the middle of foothill blvd. I fumbled ( I'm all bloodied ) for my bear spray and sprayed her! I grabbed my rod stood over her and said "you fucking \*\*\* I could just kill you" she got up running and I sprayed her again. Spraying her was the only thing that stopped her I had no choice! She was mentally ill big time!! I have walked thru many "living rooms" with no problems at all. She totally caught me off gaurd but I tell you that will never happen again. Try to seek legal counsel and sue the ACLU because THEY are origin of all this homeless BULLSHIT!!! The homeless think they run the city thinking they can do whatever they want! Not in my backyard NO WAY!

Also heard they are thinking about exempting all RVS from CVC's are you kidding me? That's insane!! Wait tell I tell the CHP about that! You ppl never think about the ramifications of you no common sense actions. Citizens are fed up!!
